Additional description

- Sturdy lounge chair
- Made of black lacquered wood
- Seat in chocolate brown leather
- H 86 cm x W 78 cm x D 62 cm

The Consume armchair brings together the Wild West with timeless design. The combination of the black lacquered wooden frame with the warm brown leather seat gives this lounge chair a real cowboy look. Now that's lounging with guts!

Material

The leather seat has a smooth grip and a matt sheen. The warm tint of the leather gives it a luxurious look. This warm hue has been created using a roof dyeing technique, which colours and protects the leather with a thin layer. Leather remains sensitive to direct sunlight and moisture, so careful maintenance is recommended.
