Additional description

- Comfortable seat
- Upholstered in a soft combination fabric
- Stylish and slimline base
- H 82 cm x W 49 cm x D 55 cm

This stylish seat is from the collection of Dutch interior design brand WOOD. Tieme is characterised by the woven fabric with soft grip, this fine combination fabric in light colour tone contrasts beautifully with the stylish, slim leg frame. Its simple design makes Tieme a timeless item.

Material

Our Ella is a woven fabric with a soft, velvety grip. The fabric has a slight hue and is woven with a chenille thread of combinative fibres (93% polyester and 7% nylon), this gives the fabric a visible depth! With a Martindale of 40,000, the fabric will not show signs of wear easily. The Ella woven fabric is known for its colour fastness and easy maintenance.
