The Darren hall round side table comes from the collection of Dutch interior design brand WOOD and is striking for its rounded design and robust use of wood. The mango wood item has a matt, natural finish which gives Darren a timeless look.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
