A playful design and lots of storage space? The Linde chest of drawers offers it all! The eight generous drawers offer more than enough storage space for books, toys and other knick-knacks you prefer to store out of sight.

WARNING tipping hazard!

For furniture higher than 50 cm, we recommend paying extra attention to the wall mounting. Fall prevention mounting prevents accidents and preserves the furniture from tipping over.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
