Side table Hold Up is part of the collection by Dutch interior design brand VTWONEN. The round table top and arched leg form an authentic design with a design sauce. The stable stand and stately appearance make Hold Up a safe addition to many interior styles!

#### Material

Mango wood is known for its durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
