## WARNING tipping hazard!

For furniture higher than 50 cm, we recommend paying extra attention to the wall mounting. Fall prevention mounting prevents accidents and keeps the furniture from tipping over.

## Material

The pine furniture in our collections is FSC-certified and is treated in various ways. For example, sanded pine is smooth and neatly finished, while brushed pine is known for its characteristic grain marks and lived-in look. For an even more robust look, pine is band sawn.
