The garden season has never been so comfortable! Enjoy the sun on this cushion set Victor from the collection of Dutch interior design brand WOOD. The cushion set is suitable for a 80x90 cm pallet bench. The outdoor fabric is water-repellent, so guaranteed enjoyment without worries!

Material

The decorative cushions from our collections are mostly zipped, please follow the care label's washing instructions when washing the cushion cover. It is recommended to wash the cushion cover at least twice a year. After cleaning, place the cushion cover slightly damp back around the cushion filling; tumble drying can cause permanently visible creases and is therefore not recommended.

A synthetic / polyester cushion filling can also be cleaned in the washing machine without the cushion cover. Set the washing machine at 30 degrees and then let it air-dry.

Dimensions

- Height of seat cushion: 80 cm
- Back cushion height: 40 cm
- Width: 90 cm
- Thickness: +/- 8 cm

Maintenance

The outdoor cushions from our collections have a water-repellent coating. Clean the outdoor cushions with warm water, a mild detergent and a soft cloth or brush. It is not recommended to clean the outdoor cushions in the washing machine. In time, the water-repellent coating will wear
