### Additional description

The name of this chair says it all, doesn't it? An armchair like this stands as a clear element in the home. The design of Statement is basic, but of course it does stand out because of its size. Combine this armchair with the sofas from the Statement series for a smooth and complete seating area. This Statement chair fits perfectly in the collection of BePureHome, is pure and sturdy and consists of several variants, fabrics and colors. This variant is covered with a beautiful Elephant skin. This skin looks like leather, but is made of 50% nylon and 50% pu in a warm gray color and that gives the sofa a chic look and feels great. The seat depth is 60 cm, the seat width 59 cm and the seat height 46 cm. The leg height is 15 cm and the height of the frame 18 cm. The armrest has a height of 66 cm and a width of 6.5 cm.
