A Conversation Piece low, dark oak, teddy white

A Conversation Piece low, black oak, sterling

A Conversation Piece low is a lounge chair that encourages relaxation and openness, unwinding and having a conversation with friends. It is ideal for use in the living room, as a corner chair, or as part of an extra lounge area. Its comfortable shape also makes it suitable for the bedroom or as an extra chair in a nursery.

A Conversation Piece low is available in oak, dark oak and black oak in eight carefully selected colours of the 100% recycled Horizons textile.

A Conversation Piece low has interchangeable upholstery, meaning that you can change the upholstery easily yourself and add new life to the design without having to buy an entirely new furniture piece, saving the world resources.
