## Additional description

A beautiful, robust cabinet with classic elements, that is the Organize cabinet from the new collection of BePureHome. The Organize cabinet (215x110x62 cm) is made of solid FSC certified pine, painted in a modern colour mist grey and has a sanded finish. The doors have beautiful mouldings and a metal handle over the entire length of the door in an antique brass finish. This antique brass handle gives a modern twist to a predominantly classic cupboard. The interior of the cupboard comes standard with a hanging part and 1 shelf across the entire width of the cupboard. At the bottom of the cabinet behind the two smaller doors there is also 1 wide shelf over the entire width of the cabinet.

## Tip

An option is an extra interior package that consists of 3 shelves across the entire width of the cabinet and thus creates a convenient wardrobe....
