The Coco series, from the collection of Dutch interior design brand WOODOOD, is very suitable for large and small living spaces. The Coco elements are very compact in size, have a softly rounded design and can also be placed loose in the room because of the upholstery on each side.

### Material

Our soft Almón bouclé has an elegant texture that brings instant warmth to the home. The bouclé fabric has a Martindale of 60,000, which means it is suitable for fairly intensive use. The dense weave ensures the strength of the fabric, which means the Almón bouclé will not wear or tear easily. Each colour also has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour shades.
