Comfortable and robust. The design of the Allure chaise longue sofa, from the collection of Dutch brand WOOD, combines the best of both. A nice detail of Allure is the modern stitched upholstery in the seat and back. The sofa has a low, plastic black leg. Allure has an extremely comfortable seat: relaxing has never been so stylish!

## Material

Our Orari is a coarsely woven fabric with a soft yet firm grip. The fabric has a subtle hue and a coarse weave pattern. Orari is composed of 94% polyester and 6% nylon. The coarsely woven fabric is suitable for very intensive use (Martindale 60,000). Orari is known as a very colourfast fabric and will not pill easily.
