With the Steep decorative cushion from the BePureHome collection you immediately bring a lot of atmosphere into your home. The romantic graphic pattern offers an attractive look in your seating area. The quilted piping ensures the cushion keeps its shape.

Material

The cushion cover is made of 100% cotton. The cotton cushion covers in our collections have a visibly high quality. The vegetable fibres are woven into a supple fabric that shapes nicely around the cushion form. The fabric is soft and hard-wearing. The colouring is natural and therefore requires careful handling, for this reason avoid rough rubbing and direct sunlight.
