Additional description

- Friendly rounded shape
- Very high seating comfort
- Upholstered in woven chenille (100% polyester)
- H 77 cm x W 339 cm x D 225 cm

Friendly shape, comfortable seating and silky soft upholstery. These are the distinctive features of the Sloping sofa! The Sloping series comes from the collection of Dutch interior design label BePureHome and is a true eye-catcher in your living space. The rounded, sleek design gives this comfy sofa a modern look. Simple and significant, Sloping.

Material

The Sloping sofa is constructed from a combination of solid wood, chipboard, polyurethane foam with a density of 25 kg/m³ and zigzag springs. The seat contains a 30 kg/m³ density polyurethane foam (T3037).

The Sloping series is upholstered in a woven chenille with a Martindale of 38,000. The Savoi woven fabric is composed of 100% polyester chenille, giving it a soft grip. The clearly visible weave pattern is given an extra dimension by the striking colour nuances. These hues create a cool look. As the fabric is coloured thread by thread, Savoi is known for its colourfastness.

Dimensions

- Height: 77 cm
- Width: 339 cm
- Depth: 225 cm
- Seat height: 43 cm
