Timeless design and items that never get boring, that's what these sleek, modern items are known for. This Body pendant lamp comes from the collection of Dutch interior design brand BePureHome and stands out with its matt, sand-coloured finish

Material

The metal in our collections has various finishes, such as: a powder coating. A powder coating provides a luxurious look and protects the metal for life. A powder coating is a lacquer that is attached to the metal using high temperatures. Powder coating ensures full colour coverage and has a matt or (slightly) glossy finish.
