The Vertex photo frame set of two comes from the collection of Dutch interior design brand BePureHome and is a beautiful addition to an earthy, natural living style. The wooden photo frames have an organic shape and two different sizes. The frames have a stable support on the back and can only be placed horizontally.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.

Dimensions

- Height of large frame: 19 cm
