### Additional description

- Organically shaped table lamp base
- Made of walnut veneer covered woodwork
- Note: only the base is concerned
- H 32 cm x W 22 cm x D 22 cm

The Venue table lamp foot, from the collection of Dutch interior design brand BePureHome, is an organic piece. The convex base adds a playful touch to the lamp base. The cord is stylishly hidden on the inside and finds its way out at the bottom of the lamp base. This makes it easy to keep the black cord out of sight, which is just as stylish!

### Material

Walnut wood veneer is characterised by its warm brown shade and visible, generally straight grain markings. The items in our collections are covered with a walnut veneer, these strips are glued to a smooth wood and finished with a transparent, protective coating.
