Material

The material of the Colmar bouclé fabric responds to the latest trend: soft materials. The fabric is comfortable and has an elegant texture. Our Colmar bouclé has a Martindale rating of 100,000, which means the fabric is suitable for intensive use. The dense weave ensures the strength of the fabric, which means that the bouclé will not wear out or tear easily. Also, each colour has a high colour fastness, but it is recommended to avoid direct sunlight to avoid colour nuances. The base of the Vogue armchair is made of metal with a matt black powder coating. The seat frame is made of a combination of chipboard and plywood. The seat contains elastic straps and a T3542 foam which provides a slightly firm seating position that is comfortable for hours. The backrest is filled with T2120 ...
