The Rodeo series by Dutch interior design label BePureHome is modern, tough and contemporary. The Rodeos are generous and offer wonderfully firm seating comfort. The high leg frame gives the furniture a slender and airy appearance. Rodeo is known for its timeless colour and material combination, inspired by the 1950s and given a contemporary twist. Dare to go Rodeo!

Material

The Rodeo daybed is constructed from a combination of solid wood [fsc], chipboard [fsc], polyurethane foam with a density of 25 kg/m³ and zigzag springs. The seat contains a polyurethane foam with a density of 30 kg/m³ (T3037). The backrest consists of a combination of 70% cut foam and 30% silicone.

The material of the Colmar bouclé fabric responds to the latest trend: soft materials. The fabric is comfortable and has an elegant texture. Our Colmar bouclé has a Martindale of 100,000, which means the fabric is suitable for intensive use. The dense weave ensures the strength of the fabric, this makes the bouclé unlikely to wear or tear. Each colour also has a high colour fastness, but it is r...
