The set of two Trigger candlesticks, from the collection of Dutch interior design brand BePureHome, are a striking duo. The design is unmistakably derived from a natural branch shape, finished in a trendy taupe colour makes Trigger a must-have item this season!

Material

The metal in our collections has various finishes, such as: a powder coating. A powder coating provides a luxurious look and protects the metal for life. A powder coating is a lacquer that is attached to the metal using high temperatures. Powder coating ensures full colour coverage and has a matt or (slightly) glossy finish.
