The Seemly decorative bowl, from the collection of Dutch interior design brand BePureHome, is one that blends easily into natural, botanical and Scandinavian living styles. The warm-coloured mango wood and playful, bulbous handles make for an eye-catching design.

Material

Mango wood is known for its warm golden brown colour, durable growth and long durability. Mango wood is also characterised by clearly visible grain and colour nuances. The grain, a yellow glow or dark lines and knots ensure that each mango wood item is unique. Mango wood is very strong and one of the harder woods, so a mango wood item will not easily be damaged.
