Easily bring abstract art into your home? Now you can with the Abstract Aztec series from the Exclusive collection by Dutch interior design brand WOODO. The artistic designs are incorporated in various decorative cushions, plaids and pouffes. Endlessly combinable with an arty twist and easy to mix-&-match! Which variant is your favourite?

Material

A woollen plaid is characterised by its soft grip and slightly stiffer structure. The first period, the plaid can be quite fluffy; this is part of the process of this natural fibre. Loose fluff can easily be removed. If the plaid is dyed or naturally coloured, they are also susceptible to fading in direct sunlight.
