Are you ready for a shiny showpiece in your home? Treat yourself to an item from the Sensational Seventies side table series from the Exclusive Collection by Dutch interior design brand WOOD. These side tables come in variegated colours with a high-gloss finish. The strong metal ensures that the item can take a beating and has a stable stand. The playful shapes create the eye-catching result. Alone or combined, these side tables make a true statement in your home!

Material

The side table is made of metal with a high-gloss finish. The metal in our collections has various finishes, such as a high gloss finish. This high gloss finish provides a luxurious look and protects the metal for life. High gloss is characterised by its shiny and reflective aspect with an even colouring.
