Additional description

The Rodeo series by BePureHome is modern, tough and contemporary. This corner sofa on the left is spacious, offers plenty of seating space and features a sturdy fabric, Recycle leather. Thanks to its slim frame and loose cushions, the sofa subtly shows in the living room. The legs are made of black metal.

This is the corner sofa on the left, when you stand in front of the sofa, the corner is on the left. The height of the bench is 85 cm, the length on the left is 213 cm, the length of the bench on the right is 266 cm and the depth is 88 cm. The width of the 2-seater part is 180 cm, the width of the corner part is 86 cm.

The seat height is 45 cm, the seat depth is 60 cm and the height of the armrests is 68 cm. What is Recycle leather? When the patterns of the hides are cut, factories have leftovers. These remnants are ground and we make a new fabric from them: Recycle leather. Recycled leather consists of 70% genuine leather and 30% polyester. The fabric is made of two materials: the underlayer is made of recycled real leather, which gives it a natural and unique look. The leather is protected by a polyester covering layer which prevents unevenness and makes it a sturdy combination fabric. Maintenance: Recycled leather cannot be treated with grease for leather. Recycle leather can be maintained as follows: with a damp cloth you can clean the fabric. In case of stains you can use a neutral soap solution to remove the stain. After removing the stain, wipe...
