PRODUCT FACT SHEET

Orbit Vases Amber/Light green/Blue (set of 3)

Small in size, bold in character. The Orbit Small Vases are the newest members of the Orbit family — each one handmade in glass, with thin strips of colour that swirl into a playful, graphic expression. No two are exactly alike, giving every vase a one-of-a-kind charm. Display a single stem or cluster a few together for extra impact — these tiny sculptures bring joyful energy and handcrafted personality to any corner of your home.
