PRODUCT FACT SHEET

## Sheets Shelf Dark green

Sleek curves, bold attitude. The Sheets Shelf in sophisticated dark green bends like a folded page, transforming simple storage into something sculptural. Crafted from sturdy powder-coated metal, it adds quiet drama to your interior — whether styled solo above a desk, paired in twos as a layered wall feature, or used to highlight a trailing plant and your latest reads. A subtle standout that doesn't need to shout, this shelf brings both function and finesse into your space. A clever, contemporary accent that turns everyday objects into curated beauty.
