

Flip Coatrack Light green

PRODUCT FACT SHEET

Flip Coatrack Light green

Where function becomes form. The Flip Coatrack in refreshing light green brings a touch of playful serenity to your space — practical when in use, sculptural when it's not. Hang coats, bags, or scarves with ease, then flip it closed to reveal a subtle piece of wall art with soft, modern flair. Whether mounted vertically or horizontally, it adapts to your style and rhythm. Available in three distinct variants, this clever design brings a poetic kind of order — the kind that tidies up and turns heads at the same time.
