

Herringbone Shelf Poplar

PRODUCT FACT SHEET

Herringbone Shelf Poplar

Defined by its signature herringbone pattern, the Herringbone Shelf brings texture and rhythm to the wall while creating a structured backdrop for everyday objects. Crafted from dark poplar wood, the rich tone enhances the natural character of the material and gives the shelf a warm, distinctive presence. Designed for books, ceramics or personal objects, it turns everyday display into a more intentional composition. A wall-mounted piece that balances function and decoration while adding depth and character to the space.
