

Kawa Vases Clear (set of 2)

PRODUCT FACT SHEET

Kawa Vases Clear (set of 2)

A pair of vases that bring movement and stillness into balance. Kawa Vases are shaped by the gentle rhythm of flowing water, translated into soft, sculptural curves in clear soda-lime glass. The transparency keeps the expression light, while the subtle weight in hand adds a quiet sense of quality and intention. Designed as a set of two, they create a harmonious composition when styled together, yet carry just as much presence when placed apart. Use them to introduce a soft, luminous layer to your interior, where form, light and placement do the talking.
