PRODUCT FACT SHEET

## Oblique Dining Chair Seat Natural

This wonderful dining chair takes its blueprint from Danish design traditions, and we are in love!. The warmth of the wood adds softness to the minimalist and classic form, where the signature diagonal line is an extension of the rear legs. Hence the name Oblique. A contrasting curved backrest creates a remarkable and comfortable feature, allowing maximum support even after prolonged sitting. This one is a keeper; Not only is this chair gorgeous it also flat-packs—made from FSC®-certified wood? But yes, of course. The Oblique Dining Chair in natural oak wood will be loved generation after generation.

Available with or without a seat pad\*.

\*We do not recommend stacking this chair as it will leave marks.
