This wonderful, organic pendant lamp Atom comes from the collection of the Dutch brand BePureHome. Atom is made of steel with an antique brass finish. The special effect of this pendant lamp is enhanced by the repetition of the palm leaves at different depths and of different sizes in the shade. This makes the lamp spread a very playful light.

The Atom pendant lamp is suitable for a large fitting E27 max. 40 Watt, is supplied without a light source and has a 120 cm long black plastic cord woven through an antique brass metal chain. The total lamp has a height of 148 cm....
