Additional description

Hocker Coffee is from the Dutch brand VTwonen.

The hocker has an undercloth of 100% leather and an uppercloth of 96%PES and 4%PU. Martindale 32000.

This microfibre is knitted from microscopic fibres, it is 100% synthetic. This product technique achieves a high strength of the material and gives the fabric a pleasant and soft feeling. To give the quality even more volume, a backing is put behind it, made of real leather!

The frame is made of chipboard, pine and cardboard. The footstool is filled with foam 3042.

Hocker Coffee has a seat height of 36 cm, a seat width of 60 cm and a seat depth of 60 cm.

The legs are 1.5 cm high. The hocker weighs 7.8 kg.

In case of stains, dab, do not sweep. Use a soft soap without the addition of aggressive substances.

Hocker Coffee is available in the colours anthracite, warm brown and cognac.
