Assembly required	Assembly required

Additional description

The SKIN armchair is from the Dutch brand VTwonen. SKIN is upholstered in a fabric of 100% PE. Martindale 20.000. This microfibre is woven from microscopic fibres, it is 100% synthetic. With this production technique, a high degree of strength is achieved and the fabric gets a pleasant and soft feeling. It is manufactured with a backing to obtain an extra voluminous quality. For stains, dab, do not wipe. Use a soft soap without the addition of aggressive substances.

The frame consists of solid wood, chipboard, hardboard, plywood, foam 18/30 kg/m³, RE kg/m³.

The seat is filled with HR35/32 kg/m³ foam. The backrest is filled with HR30/20 kg/m³ foam.

The metal legs, with a diameter of 25 mm and a height of 20 cm, have a black metallic finish.

The weight of the armchair is 29 kg.

Leg height 20 cm / Seat de
