Additional description

Dining table Rhombic is from the Dutch brand BePureHome. The table is made of 100% recycled teak with a 3 cm thick tabletop. In recycled teak there is no FSC certificate issued because the wood comes from old teak logs.

The legs and base are made of iron with a black finish. Distance between the legs long side is 200 cm and the short side is 73 cm.

The tabletop has a thickness of 3 cm and is finished with 2 layers of water based sealer and 1 layer of matt lacquer.

The total weight of the Rhombic dining table is 34.4 kg.

Rhombic dining table is available in 220x90 cm.
