170x40x5

Material

Metal

Color finish

black

Additional description

Slim fit mirror

Metal frame with waterproof powder coating

Several sizes available

H 170 x W 40 x D 5 cm

This generously sized mirror Doutzen is from the collection of the Dutch brand WOOD. The mirror has a HRP sheet metal edge [hot rolled sheet metal], which is a steel plate that is hot rolled and suitable for welding. This material is often used in kitchens and is wear-resistant. The steel edge has a black finish.

This Doutzen mirror is 170 cm long and 40 cm wide, the edge is 4 mm thick and 5 cm deep. The mirror weighs 7 kg. The mirror glass meets the European standard.

The Doutzen mirror is also available with a length of 110 cm and in a round version in two sizes.

The mirror is powder coated, so it is also suitable for the bathroom. There is a metal strip behind the mirror that has two holes to hang the mirror from. Screws are not included...
