Additional description

Generous round mirror
Metal frame with waterproof powder coating
Multiple sizes available
ø 115 x D 5 cm

This spacious round mirror Doutzen is from the collection of the Dutch brand WOOD. The mirror has a HRP sheet metal edge [hot rolled sheet metal], which is a steel plate that has been hot rolled and is suitable for welding. This material is often used in kitchens and is wear-resistant. The steel edge has a black finish.

This Doutzen mirror has a diameter of 115 cm, the edge is 4 mm thick and 5 cm deep. The mirror weighs 14,5 kg. The mirror glass meets the European standard.

The round mirror Doutzen is also available with a diameter of 50 cm, 80 cm and also in a rectangular version in two sizes.

The mirror is powder coated, so it is also suitable for the bathroom. There is a metal strip behind the mirror that has two holes to hang the mirror from. Screws are not included....
