black

Additional description

A round table is all back again! This solid oak dining table Rhonda in the color black is treated with 2-components so that the oak is wear and water and heat resistant. The oak surface is still visible and so the table retains its warm appearance. The dining table has three legs and a diameter of 130 cm. It is made of strips of glued solid oak (finger joint) and is delivered as separate elements with a simple assembly manual....
