## Additional description

From the James series of the brand WOOD is this very beautiful cabinet. Cabinet James (H 83 x W 60 cm x D 44 cm) is executed in matt black lacquered pine in combination with a MDF back with walnut print. The cabinet is specially designed to fit LP's in the 3 compartments at the bottom (H 35 x W 18 cm). The wide compartment at the top is designed to accommodate the amplifier, as a hole has been made in the back of the cabinet to allow your cords to pass through. Of course you can also use the box for other functions!

Sideboard James is supplied as a kit with clear assembly instructions.  
For hard floors, place felt glides under the sideboard to prevent damage to the floor.
