Assembly required

Assembly required

Additional description

Wardrobe Ties is a Dutch manufacturer of the brand WOODO.

This solid FSC certified pine hanging / laying cabinet has a brushed finish and the doors have 2 vertical V-grooves.

The interior of the wardrobe is made of melamine and consists of one wide shelf at the top with a divided rod on the left and three divided shelves on the right. The door is equipped with leather handles in the color brown.

The Ties wardrobe is available in white and deep black (RAL9005).

Brushed wood This unit is made of brushed wood. The veins and knots are accentuated by brushing, which gives the wood a worn appearance. This treatment can make unevenness, small cracks and knots extra visible. These are characteristics of the aged wood. This makes each copy unique!
