Zig Zag

510-070-014 black

It's in our nature to develop multiple interpretations of different shapes and forms we see fit for our brand. Therefore, we've created the Zig Zag. You may ask why is the Zig Zag such a fitting shape for the pols potten brand. Well, let us tell you a short story. Once upon a time there was a TamTam, we decided to carve it up and create another playful interior icon. See it as a side table, use it as a stool, or let it be your new footrest, it's a useful piece.
