TABLO TABLE TOP MANGO Ø120

wood

Country of origin

IN

Additional description

Robust and sturdy dining table top
Mango wood with lime wash finish
Cool; put together your own dining table!
H 5,5 cm x Ø120 cm

Create your own (dining) table with one of the WOOD Tablo table bases and tabletops. How cool is that! This mango wood Tablo table top has a size of Ø120 cm, so you can easily sit with 4-5 people at it. The top is 5.5 cm thick. The tabletop has a curved edge.

The mango wood is finished with a lime wash finish, which gives the mango wood a kind of white wash layer. This finish improves the overall look of the wood and at the same time emphasizes the beauty of the wood grain. This gives the tabletop a tough and robust look with a light appearance. The tabletop weighs 33 kg.

The round and oval Tablo tabletops are pre-drilled to fix the table legs (not the case with the rectangular tabletops). With the pre-drilled tabletops, the drilling pattern to be chosen is indicated....
