Additional description

The oak (fsc) tree trunk table top Tablo by the brand WOOOD has a tough, robust look. The edges on the long side of the trunk table top have retained their original contours. This makes each table top unique and a real eye-catcher.

You can choose with which legs or with which frame from the Tablo series you combine the Tablo tree trunk table top. With the choice of the legs or the base you decide for yourself what look your dining table gets.

This solid oak table top is 220 cm long, 90 cm wide and 3 cm thick. The Tablo tree trunk table top is available in various sizes. Note: Irregularities, cracks and knots are inherent in this natural product....
