Additional description

The round modern and practical Sasha side table by the brand WOOD, with three clear wooden lacquered table legs and natural lacquered table top, fits in any interior from modern to classic. The outside of the raised edge of the table top is lacquered in white and the inside in a bright wooden colour. The diameter of the tabletop is 41 cm and the height of the table is 41 cm. The Sasha side table is also available in black with the inside of the table top in grey, in white with the inside of the table top in grey, in anthracite with the inside of the table top in clear wood and jade green with the inside of the table top in clear wood. This article is supplied as a construction kit (the assembly of the table legs). In the case of hard floors, place felt glides under the table legs to prevent damage to the floor....
