Blanco is an elegant dining table with a tough look from the collection of the Dutch brand BePureHome. The dining table is made of mango wood with a deep black finish. The elegant spherical leg gives the table its elegant appearance! The table is finished with a clear lacquer to protect the wood from stains.

The Blanco table top has a diameter of 120 cm with a thickness of 3 cm. The base of the table has a diameter of 70 cm with a thickness of 4 cm. The height from the bottom of the table top to the ground is 72 cm, take this into account when placing a dining chair with armrests. The maximum carrier weight of Blanco is 60 kilos.

Maintenance: In case of stains, wipe the table with a damp cloth. Apply liquid wax from time to time to preserve the appearance of the table.

For hard floors, place felt glides under the legs. This prevents damage to the floor. The article is supplied as a simple kit with clear installation instructions....
