RODEO CHAISE LONGUE RIGHT VELVET HONEY YELLOW

Additional description

The Rodeo range of seating by the BePureHome brand is modern, tough and contemporary. This chaise longue sofa on the right is generous, offers plenty of sitting space and has a soft velvet fabric. Because of the slim frame and loose cushions, the sofa subtly shows in the living room.

The legs are made of black metal. The seat height is 45 cm, the seat width is 274 cm (120 cm from the lung chair part), the seat depth is 60 cm (125 cm from the lung chair part) and the height of the armrests is 67 cm.

The velvet fabric with a velvet look feels soft, is of a heavy quality and suitable for intensive use. The fabric has not been tested for additional treatments and therefore we do not recommend impregnating the sofa. If this is deemed necessary, it is at your own risk and we recommend that you test it out of sight.

The Rodeo furniture series consists of a 3-seater sofa, a 2.5-seater sofa, a chaise longue, a stool on legs and an armchair / Loveseat, a dining room sofa and a dining chair.
