LEGACY CABINET WOOD/IRON BLACK [fsc]

Color finish

matte black

Additional description

This Legacy cabinet is a sleek, stylish cupboard from the new BePureHome collection that offers both storage and display options. Legacy cupboard is made of steel, powder coated in the colour matte black RAL9005. The sturdy steel stands of the cabinet are 25 mm x 25 mm thick and have legs that are 20 mm in height adjustable.

The wooden shelves, drawer fronts and flap doors of this cabinet are of lightly sanded, matte black lacquered pine, RAL9004. The wood grain is still visible.

The handles on the flaps and drawer fronts are made of sanded beech wood and painted in the colour matte black, RAL9005.

All compartments of cabinet Legacy have a width of 59.5 cm and a height of 40 cm, the drawers are 31 cm deep. These compartments and drawers offer lots of storage space.

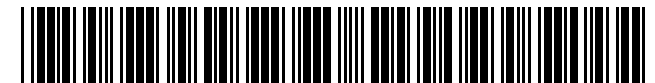

Legacy cupboard is 220 cm high, 123 cm wide and 45 cm deep.

This Legacy cabinet is supplied as a kit with a clear assembly manual.
