## Additional description

From the CONNECT series, a production of the Dutch brand WOOD, this sturdy basic 3-door cabinet, (hwxwd) 195x145x53 cm, with 3 handy drawers (fitted with sturdy, metal drawer guides). With the CONNECT cabinets you can build your own cabinet wall! The body of the CONNECT cabinet is made of solid pine [FSC-certified]. The inside is equipped with melamine shelves, which is very practical with cleaning! The width of the shelf on the right is 447 mm.

From bottom to top is the gap between the shelves 373, 405, 341 and 374 mm, these are fixed sizes and therefore not adjustable. This cabinet is painted concrete grey with a waterborne lacquer, but you can also paint the cabinet in another colour in no time (in that case use a waterborne lacquer as well). The CONNECT series consists of a chest of drawers and 3 basic cupboards: A 2-door cabinet, a 2-door cabinet with drawers and a 3-do...
