Additional description

The Rodeo series of seats by the Dutch brand BePureHome is modern, tough and contemporary. This Classic 2.5-seater variant has stitched seat cushions which give the sofa a classic touch. The sofa is generous, offers plenty of seating space and has a tough fabric Recycle leather. The slim frame and loose cushions make the sofa look subtle in the living room. The loose cushions are not reversible. The 16 cm high legs are made of metal with a black finish. The seat height is 47 cm, the seat depth is 58 cm, the seat width is 206 cm, the backrest is 49 cm high. The width of the armrests is 12 cm and the height of the armrests is 70 cm.

The frame of the sofa consists of solid wood, chipboard, beaverboard and cardboard. The bench has a zigzag suspension.

The seat has a foam filling T3037, a standard foam with high durability and comfortable seating comfort.

The back has a filling of 70% cut foam and 30% silicone.

What is recycled leather?

When cutting the patterns of the hides, factories have leftovers. These remnants are crushed and we make a new fabric: Recycled leather. Recycled leather consists of 70% genuine cowhide and 30% polyester. The fabric is made up of two materials: the base layer consists of recycled genuine leather, which gives it a natural and unique appearance. The leather is protected by a polyester coating which ...
