Additional description

Comfortable, robust corner bench
85% polyester and 15% cotton in dark grey blended shade
35,000 Martindale, suitable for intensive residential use
H 73 x W 305 x D 96/175 cm

This Bean corner sofa left from the collection of the Dutch brand WOOD Exclusive is a truly comfortable sofa with a sturdy body. The Bean sofa is upholstered with a durable fabric (85% polyester and 15% cotton), Martindale 35.000. This fabric is water and stain resistant treated. The extra matching decorative cushions (hxw) make Bean complete.

Bean corner sofa (hxwxd) 73x305x96/175 cm has a seat height of 46 cm and a seat depth of 66 cm. The armrests are 73 cm high and 27 cm wide. This gives the sofa a beautiful body.

The frame of the Bean bench consists of: chipboard, beech wood and pine.

The couch has a comfortable, firm seating. The seat cushions have a filling of foam T42, solid foam with a long lifespan and HR30, a foam with a high elasticity, dynamic shape retention and ensures a high level of user comfort. The foam has a high air permeability and quickly returns to its original shape.

The back cushions are filled with the same foam, for a comfortable seat.

This sofa is supplied in separate elements. The elements are easy to connect with each other by means of brackets. For hard floors, place felt glides under the legs. This prevents damage to the floor...
