Slim and tough we call bedside cabinet Morris from the collection of the Dutch brand WOOD. This solid, FSC certified pine bedside cabinet has a rustic finish, is sprayed in the colour loam and the drawer (hxwx) 9x29x28 cm has a black leather handle. The frame is 35 cm high and is made of black lacquered metal.

This cabinet is part of the Morris room, this room consists of a single bed, a bed drawer, this desk, this closet and a bedside table.

Rough sawn wood This cabinet is made of rough sawn wood. This means that the wood has been sawn across, giving it a rustic sanded appearance. This gives the furniture a lived through vintage look. Because of this treatment, unevenness and small cracks can be extra visible. These are characteristics of coarsely sawn wood. Each one is therefore unique!
